

# “TACKLING WORKFORCE DEVELOPMENT”

**WEDNESDAY, MARCH 29, 2017  
11:00 A.M. – 1:00 P.M.**

While Minnesota’s workforce remains one of our greatest strengths, there are a host of issues putting that strength status at risk.

Join us as we explore the role of nonprofits, organizations, and state government in helping to address the workforce issues facing our members.

Because business knows no boundaries, the Bloomington, Eden Prairie, Edina, and Richfield Chambers of Commerce host multi-chamber B.E.E.R. events throughout the year. These highly anticipated events provide an added value to our members with the goal of expanding our members’ network and reach in the business community. The B.E.E.R. theme for 2017 is “Navigating Today’s Troubled Business Waters.”

## THANK YOU TO OUR B.E.E.R. SPONSORS
